Alexandria, VA 22313-1450

Sir:

Pursuant to the duty of disclosure under 37 C.F.R. § 1.56, 1.97 and 1.98, Applicants hereby make of record in the above-identified application, *this application is a National Stage Entry of International Application No. PCT/US03/38961 filed December 8, 2003, which Claims Priority from U.S. Provisional Patent Application No. 60/431,662 filed December 8, 2002*, the documents listed on the attached Form SB/08.

Applicants have listed publication dates on the attached form SB/08 based on information presently available to the undersigned. However, the listed publication dates should not be construed as an admission that the information was actually published on the date indicated. Where the publication date of a listed document does not provide a month of publication, the year

of publication of the listed document is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the month of publication is not an issue.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

The applicant requests that the examiner initial and return a copy of the enclosed Form SB/08 to indicate in the official file wrapper that each item has been considered. One copy of each reference is submitted herewith, except that copies of U.S. patent documents are not provided pursuant to 37 CFR 1.98(2)(ii).

This Information Disclosure Statement is being filed together with a request for continued examination under 37 C.F.R. §1.114. No certification or fee is required. 37 C.F.R. §1.97(b).

Respectfully submitted,
